

What's your reason for joining?

- Improve your business performance through networking and professional development.
- Collaborate with business and community leaders and elected officials who are committed to the economic development of Clay County.
- Make a positive impact on future generations of Clay County.

Since 1967 the Clay County Economic Development Council has been instrumental in creating and retaining thousands of Clay County jobs and in the coordination of billions of dollars in new capital investments. Would you like to join us in fulfilling our mission to "Maximize economic well-being in Clay County?" **Several membership options are available, call us today at 816-468-4989.**

Our Goals

- Retain and expand existing Clay County businesses and industries.
- Attract new business and industry.
- Promote a positive economic development climate.
